

- Crossword puzzle creation tool - Easy to use interface - Convenient and feature-rich - Allows saving and printing multiple puzzles Free Crossword Puzzle Maker is a straightforward and user-friendly app that comes with only several functions and designed to offer an easy and quick way to generate simple and more sophisticated crossword puzzles to train your patience and terminology while having fun and relieving some stress. The installation is completed before you know and uncomplicated. It's wrapped in a clear-cut and self-explanatory layout that comes with three distinct tabs, namely, words, crossword and help. There isn't much to say about the menu itself, as all the components are in plain sight. Save the puzzle to JPG, BMP and PNG image formats and print them The process is simple, just input up to 21 random terms and hints into the corresponding fields. Once finished, access the second tab, where you have to pres the "Generate" button in order for the utility to display the sheet, which can be saved as a picture (PNG, BMP, JPG, JPEG) and printed out. Unfortunately, it doesn't provide an interactive mode to fill in the blanks and test it to view if it works. Another useful feature that should've been included is an achievement system, with winning streaks, a countdown timer as well as a built-in dictionary to help you find new words in case you get stuck. To sum it up Taking everything into account, Free Crossword Puzzle Maker is a basic and entertaining application that comes in handy only for those who want to design basic and more complex crossword puzzles that can be printed and resolved by hand.
